Completing the registration form:

Family Information -

The requested information is self explanatory.

If your family registered with North Shore Swim Club in the past, just complete the first and last names of the parent or guardian. Also if any of the other requested information changed since the your last registration date, i.e. address, phone or Email address, please enter the new information.

Swimmer Information -

Last name

Please enter legal first name and middle initial. This information becomes part of the swimmer's identification number for USA Swimming insurance and meet entries. If your swimmer does not have a middle initial (name) please enter "***" in the space provided.

Preferred name is a nickname or shortened version of the legal name . In my case I would enter "Dan" for Daniel.

Date of birth is required. This also becomes part of the USA Swimming identification. It is also necessary for placement of your swimmer in the proper events at swim meets.

Gender and Citizenship are necessary for meet entries and government reporting.

T shirt size is for the North Shore club shirt.

If this is the first time you are registering a swimmer with NSSC and your swimmer registered with another USA Swimming club, we need to let Wisconsin Swimming know about the change in club. You will be asked to complete a transfer form. Swimming with Tripoli Country Club, Fox Point pool, Town Club swim teams does not require a transfer form since those clubs are not affiliated with USA Swimming.

Fee Calculation -

Enter the appropriate club fee from the Club Fee Schedule immediately prior to this section.

If your swimmer is in Roller or Bonsai please circle their practice group in the Club Fee Schedule. It helps me get information to the right coach.

Multiple swimmer discount - We offer a discount to families who register more than one swimmer per household. If you have two swimmers in your house, the second swimmer receives a \$15 discount for one session or \$30 if you register both swimmers for the spring and summer sessions together.

The volunteer deposit is \$35.00 per session. If a family member volunteers to help at a NSSC meet scheduled for November or February, the volunteer deposit will be applied to meet entry fees for your swimmer.

USAS fee is required and provides insurance during practices and meets for swimmers.

The USAS registration covers the period from September, 2007 to December 31, 2008.

Please sign and date the form.

Attach check for total fees to the form and send to Carleen Sook, Registrar.
